

On Wednesday, October 4th, come join us for Dinner and to hear our Guest Speaker:

Dennis Lord
Presenting:

**Inventory- The Big Bad Question is-
“How Much is Enough”**

Presentation Summary:

You need to carry inventory, and you're wondering how much you should carry. It's a common question and it should have a simple answer.

Are three widgets enough? Is six widgets too many? How do you determine the right stocking levels for your products? Is there a magic formula?

Join us for a lively discussion of the considerations involved in answering this question.
