

**On Wednesday, December 6th, come join us
for Dinner and to hear our Guest Speaker:**

Chaim Silberstein

Presenting:

**“ The S&OP Spring, So What is the
Problem?”**

Presentation Summary:

Research shows that 40% of businesses do not have a formal S&OP process. Where the process exists, more than half of SCM managers conceded that there are staggering gaps in stakeholder’s participation or involvement: no regular participation of either manufacturing, finance or marketing, in short most attempts to implement S&OP fail.

The objective of this interactive presentation is to discuss and highlight key factors preventing the successful implementation of this critical process and exposed the key success factors to ensure S&OP success.

Attendees Takeaways:

- Attendees will learn key factors preventing the successful implementation of this critical process.
- Attendees will be provided with an S&OP implementation road map.
- Attendees will be exposed to key success factors to ensure S&OP success.
